Omni Logistics Japan Co., Ltd.

Company Description

A global 3PL provider with an **ALL IN** attitude.

Omni Logistics is a privately owned global 3PL provider. As one of the world's leading privately held 3PL providers, we specialize in providing unique, custom supply chain solutions for a long list of global clients. Omni Logistics applies a high level of focus on order accuracy and accountability from inception to the final mile. Our goal is a seamless partnership that delivers confidence, removes risk, and provides a level of customization unique among 3PL providers.

Global shipping, warehousing, and return solutions that guarantee precision.
Whether you need global shipping, specialized warehousing, or just third party logistics that cuts to the chase, Omni Logistics is ready. Our expanding global presence provides our clients with thousands of vetted team partners dedicated to delivering comprehensive solutions that encompass transportation, distribution, value-added services and more. Our client roster includes companies ranging from startups to multinational corporations. If you are looking for a 3PL provider with global resources, outside-the-box problem solving, and 24/7/365 availability, look no further.
