Job Description

Our client is a very stable, profitable construction and engineering firm with a diverse, international workforce, long-term stable client contracts, low overtime and excellent HR support.

They are hiring Mechanical / Plumbing Technicians for construction and maintenance on government-related projects in the Kanto area, with projects across Japan.

Main duties

- Install and maintain piping, plumbing and mechanical equipment
- Support HVAC and fire protection work
- Carry out inspections, repairs and preventive maintenance
- Follow safety rules and keep work records

Work environment

- Bilingual team; English used with clients
- Bonuses and annual raises

Required Skills

Must

- Hands-on plumbing, piping or mechanical equipment experience
- Japanese or English at daily conversation level or above
- Driver's licence (automatic OK)

Welcome

- Plumbing or piping licences (管工事関連資格)

Company Description
