Job Description

≪Job Description & Position Highlights≫

- Deliver English-based STEAM education to children aged 6–10 through hands-on lessons in science, coding, design,

math, and art
- Shape future global thinkers through creative learning while developing leadership skills and making a lasting impact on young learners
- Gain opportunities to lead projects, contribute to curriculum design, and accelerate career growth within an international team
- Enjoy flexible weekly scheduling from three days, visa sponsorship, transportation reimbursement, and potential full-time employment

【Job Responsibilities】
Are You Looking for More Than Just a Job?
You're ambitious. Curious. Driven to make an impact.
At FlyNexia, you won't just teach English—you'll help shape the next generation of global thinkers, ethical leaders, and creative problem-solvers in Japan.
This is an opportunity for recent graduates to start their career with purpose, ownership, and cross-cultural influence.

■What You'll Do

- Deliver engaging, inquiry-driven lessons in English
- Guide students through hands-on learning in Math, Code, Design, Science, and Art
- Facilitate project-based learning in areas like design thinking, ethics, creativity, and digital skills
- Build meaningful connections with curious young minds
- Collaborate with a diverse, international team
- Contribute ideas, launch initiatives, and grow into leadership roles

■What Is FlyNexia?
We're a next-generation STEAM-based afterschool program for children ages 6–10, focused on English communication plus future-ready skills.

■Our mission
To equip children with the mindset, skills, and confidence to thrive in an unpredictable, globalized world.

■Think of us as
A hybrid between a language immersion program, a design thinking lab, and a leadership accelerator—tailored for young learners.

■Why Join FlyNexia?
・Accelerated Career Growth
Take on meaningful responsibilities in curriculum design, team leadership, or project development. ・Global Perspective
Join an international team and work with globally minded families in Tokyo's most forward-thinking districts.
・Creative Autonomy
We don't do cookie-cutter education. Your ideas are encouraged and valued.
・Real Impact
Your work will influence how children think, lead, and collaborate—today and well into their future.

This isn't just your first job.
It's the foundation of a meaningful, global career in education, leadership, or innovation.
