Top-tier International Investment Bank URGENTLY requires TALENTED C++ DEVELOPERS of all levels of experience to join its Front Office IT team to work on a MAJOR GREENFIELD PROJECT!! You will be working on all stages of project life cycle from gathering user requirements and design through to implementation and delivery. If you are passionate about technology this role is the IDEAL role for you - You will be working with some of the best technologists in the city and will use CUTTING-EDGE technology to develop this IMPORTANT GREENFIELD APPLICATION.

To apply you must have EXCELLENT core Java technical skills. Finance and especially Banking experience will be a REAL BONUS!! You will be developing a MULTI-THREADED application and so relevant experience in this will also be a GREAT ADVANTAGE!! You will be degree educated in a Computer Science, Mathematics or similar science based discipline from a top-tier university. Successful candidates will benefit from AMAZING Career opportunities and FANTASTIC Financial Package!!

Candidates from Software Houses/Consultancy background PLEASE APPLY, this is a FANTASTIC CHANCE to enter Banking and work on a KEY GREENFIELD PROJECT!!

会社紹介: Aston Carter is an independent IT recruitment consultancy established in 1997, to provide a pro-active service to the investment banking market. In London it is established as the leading IT staff supplier to a number of leading Investment Banks and Financial Services companies.

Aston Carter has been present in the Tokyo market in a passive manner since 2005, placing candidates from across the globe that wish to relocate to Tokyo as well those already based locally. Due to an increasing demand for its unique services in Tokyo amongst our global clients, Aston Carter has established a team of consultants to concentrate exclusively upon this market. The objective is to establish a significant presence in Tokyo within the Banking and Finance community and open an office in June 2007.

Aston Carter ' s key operating principles can be summed up in three words: Professionalism, Co-Operation and Delivery. The company has a positive, dynamic vision about where its business needs to go and a passionate commitment to getting there. Consultants are carefully selected according to their experience and achievement-oriented outlook.
