募集要項

Position: **Facility & Utility Manager**

Salary: **100,000 – 150,000 THB / Month**

Welfares: **Bonus, PVF, Health Insurance, Transportation and others**

Location: Amata City, Chonburi

Working Day: Only Monday to Friday

Responsibilities:

- Oversee multiple facilities, including operations and maintenance, project management, cleaning and gardening, canteen services, reception, transportation, and subcontractor management.
- Manage all facility and utility systems to support production requirements, ensuring timely delivery, safety, quality, and cost efficiency.

- Optimize workplace space utilization to maximize value and productivity for employees.
- Oversee vendor and supplier selection, making recommendations based on commercial and technical factors aligned with company needs.
- Prepare and manage budgets to ensure efficient and effective resource usage.
- Drive implementation of quality systems, including procedures and work instructions.
- Coordinate with all departments to support company development initiatives.

Qualifications:

- Bachelor's degree in Industrial Engineering, Electrical Engineering, Mechanical Engineering, or a related field (Master's degree preferred).
- Minimum of 15 years in Facilities & Utilities, including Occupational Health, Environment, and Safety within a manufacturing environment (electronics manufacturing preferred).
- At least 5 years in a managerial role at the Manager level.
- Strong communication skills in English (speaking, reading, and writing).
- Japanese language ability is an advantage.
- Strong analytical thinking, technical expertise, and proven leadership capabilities.
