## Job Description

Import & Export Operations Specialist

Position Title: Import & Export Operations Specialist

Position Summary

We are seeking an experienced Import & Export Operations Specialist to manage international logistics operations across air, ocean, and ground transportation. The successful candidate will be a hands-on logistics professional capable of independently overseeing end-to-end import and export processes and contributing immediately with minimal training.

Key Responsibilities

- Coordinate and manage import and export shipments via air, ocean, and land transportation.
- Handle shipping arrangements, booking procedures, and shipment tracking.

- Prepare and review import/export documentation and customs-related paperwork.
- Liaise with carriers, freight forwarders, customs brokers, overseas agents, customers, and internal stakeholders.
- Ensure compliance with customs regulations, trade requirements, and company procedures.
- Monitor shipment progress and proactively resolve operational issues.
- Maintain accurate records and provide timely updates to relevant parties.

Qualifications

- Proven experience in import and export operations within logistics, freight forwarding, transportation, or supply chain environments.
- Solid hands-on knowledge of air freight, ocean freight, and land transportation operations.
- Strong understanding of import/export documentation and customs clearance procedures.
- Ability to manage multiple tasks and priorities in a fast-paced environment.
- Strong communication, coordination, and problem-solving skills.
- Business-level proficiency in English.

Preferred Candidate Profile

- Immediate contributor with practical experience in international logistics operations.
- Able to independently manage end-to-end import/export activities with minimal supervision.
- Detail-oriented, customer-focused, and proactive in addressing operational challenges.

We regret to inform applicants that only shortlisted candidates will be notified. Thank you for your understanding.
