募集要項

About Sollers Consulting
　Sollers Consulting is more than a consultancy and software integrator.
As a company founded in 2000, our mission has been to transform the financial & insurance industries by helping them adapt to new technologies.

The power of collaboration and the limitless potential of Sollers people are at the root of our success. We strive to be the best at what we do, both in the eyes of our team and our customers. We put people at the heart of every project.

＜Company Introduction Video＞
We would like to share a short video introducing our HR initiatives and employee support systems.
The video features English audio.

We hope it gives you a sense of our company culture and work environment.

スキル・資格

About the requirements. You need:

- At least 2 years of professional experience in IT projects for the financial sector, preferably insurance or bancassurance (experience from international companies would be an asset)
- To be creative, resourceful, and proactive in finding solutions to complex problems
- Ability to apply analytical thinking and synthesis to present results of your work
- Strong aptitude to work with clients from the financial sector in a professional environment
- Ability to learn quickly in a friendly but challenging international environment
- To enjoy teamwork with experts with various professional backgrounds and skills
- To be able to work in Japan on a full-time basis
- At least a bachelor’s degree
- Great command of English (over TOEIC 900) and Japanese (over N1 level), being fully confident collaborating with English native speakers
- Show interest in supporting business development activities in Japan

About the wishes. Nice to haves:

- Familiarity with insurance business processes
- Experience working in fintech, consulting, implementation, or IT company, especially in the fields of insurance or bancassurance
- International higher education
- Team leadership skills and management experience
- Additional languages
- While having the main office in Tokyo, you want to work with our Clients abroad, traveling up to 50% of your work time
