Job Description

POSITION SUMMARY

In this position, you will manage post-contract logistics and delivery operations for non-ferrous metal trading activities, overseeing import operations, inventory management, risk monitoring, and transportation coordination. You will work closely with suppliers, customers, logistics providers, and internal stakeholders to ensure efficient supply chain operations while continuously identifying and implementing improvements in logistics services and delivery methods.

RESPONSIBILITIES

- Execute all delivery-related operations following contract conclusion
- Manage import and domestic logistics activities for non-ferrous metals

- Coordinate shipping schedules and transportation arrangements by truck, vessel, and rail
- Oversee inventory movement, warehouse operations, and delivery management
- Manage shipping documentation and supplier/logistics invoices
- Ensure compliance with applicable import/export and transportation regulations
- Support internal stakeholders to ensure smooth and efficient delivery processing
- Monitor inventory exposure, conduct monthly reconciliations, and perform physical inventory inspections
- Support financial closing and risk monitoring activities
- Manage contracts related to inventory and warehouse operations
- Identify and implement operational improvement opportunities

QUALIFICATIONS

- 5 to 10 years of experience as a logistics assistant or trade assistant

PREFERRED REQUIREMENTS

- Bachelor’s degree preferred
- 5 to 10 years of experience in international import/export logistics operations involving container and bulk shipments
- Experience handling non-ferrous metals in approved warehouse environments

LOCATION New York, NY

WORK TYPE Hybrid work 3 times a week in the office

SALARY USD100,000-115,000

BENEFITS Medical, dental, vision, 401K and others
