募集要項: Fantastic opportunity for experienced Support Analyst to provide 1st & 2nd line Application support to Front Office Interest Rates Derivatives team at a TOP TIER INVESTMENT BANK. This is a fast paced and business critical environment and you will thrive on the challenge of delivering efficient and effective floor support to the traders. Candidates must have strong analytical, problem-solving, and communication skills with the ability to multi-task, prioritise, and make sound judgements - particularly under pressure.

You must have Unix/Linux experience and exposure to Perl, ksh, SQL and Autosys. You will also have Fixed Income experience, ideally derivatives such as interest rate swaps.

会社紹介: Aston Carter is an independent IT recruitment consultancy established in 1997, to provide a pro-active service to the investment banking market. In London it is established as the leading IT staff supplier to a number of leading Investment Banks and Financial Services companies.

Aston Carter has been present in the Tokyo market in a passive manner since 2005, placing candidates from across the globe that wish to relocate to Tokyo as well as those already based locally. Due to an increasing demand for its unique services in Tokyo amongst our global clients, Aston Carter has established a team of consultants to concentrate exclusively upon this market.

Aston Carter 's key operating principles can be summed up in three words: Professionalism, Co-Operation and Delivery. The company has a positive, dynamic vision about where its business needs to go and a passionate commitment to getting there. Consultants are carefully selected according to their experience and

achievement-oriented outlook.
