Job Description

Our client is seeking for a motivated and detail-oriented Senior Vessel Operator / Operations Manager to oversee the day-to-day commercial operations of dry bulk vessels. This role is ideal for candidates with experience in ship operations, charter party management, and vessel performance monitoring who are looking to further develop their career with an established ship owner/operator environment.

Key Responsibilities

- Manage the daily operations of 9-10 dry bulk vessels under owner-controlled tonnage.
- Monitor vessel positions, voyage progress, and operational performance to ensure smooth execution of charter party requirements.
- Coordinate with charterers, vessel masters, technical managers, and other stakeholders regarding voyage instructions and operational matters.
- Prepare and manage hire statements, including reconciliation of hire deductions and operational claims.
- Maintain accurate operational records, documentation, and voyage files.

- Review and monitor charter party updates, amendments, and addendums.
- Track vessel performance reports and voyage efficiency metrics.
- Handle and review shipping documentation, including Bills of Lading (BL) and Letters of Indemnity (LOI).
- Process and settle invoices with charterers, managers, and relevant stakeholders.
- Coordinate communications relating to EU ETS, FuelEU Maritime regulations, and provide operational guidance to vessel operators.
- Support insurance-related matters and assist in handling operational claims when required.

Requirements

- Bachelor's Degree in Maritime Studies, Shipping Management, Logistics, Business, or a related discipline. Equivalent industry experience will also be considered.
- Minimum 3-5 years of experience in dry bulk vessel operations, preferably with a ship owner or ship operator.
- Strong understanding of charter party terms and commercial vessel operations.
- Experience using IMOS (Integrated Maritime Operations System) is preferred.
- Familiarity with Bills of Lading (BL), Letters of Indemnity (LOI), hire calculations, and voyage management.
- Basic knowledge of marine insurance, claims handling, and dispute resolution with charterers.
- Good communication and stakeholder management skills.
- Ability to work independently in a fast-paced maritime environment while managing multiple vessels simultaneously.
- Proficiency in Microsoft Office applications, particularly Excel.
