募集要項

A multinational mobility solutions company is looking for a QA Manager. The selected candidate will lead quality systems, quality engineering, and IMS compliance across development and production. This is a hybrid role.

A global leader in sustainable mobility solutions, this organisation specialises in advanced automotive components, systems integration, and innovative technologies that support the transition to cleaner and smarter transportation. With a strong focus on engineering excellence, operational efficiency, and career development, it offers dynamic opportunities for job seekers seeking growth in a forward-thinking and internationally connected environment.

Keywords:

品質管理、QAマネージャー、内部監査、継続的改善、自動車産業、モビリティ、求人, 外資系

Job Ref: MEPVGG

Responsibilities:

- Lead quality control authority across production, shipment, development, and manufacturing phases
- Deploy global quality policies and coordinate with global teams on quality standards
- Manage the Quality Management System, including continuous improvement, document control, and internal audits
- Assign projects to Quality Engineers and oversee resources to meet program targets
- Resolve warranty claims, customer claims, internal issues, and supplier-related nonconformities
- Drive quality objectives, corrective actions, preventive actions, and best practice deployment

Requirements:

- Bachelor's degree or equivalent in Quality System or Engineering or related field
- More than 3 years of experience in the automotive industry (manufacturing company is ideal)
- Experience in auditing
- Understanding of ISO 9001-2015 & IATF 16949-2016 system implementation and auditing
- Prior knowledge of the quality core tools (PPAP, FMEA, SPC, DOE and Control Plans)
- Proficient in MS Office Suite
- Ability and willingness to travel
- Business level written and spoken English

Preferred requirements:

- More than 3 years of experience of management team, facilitation and total quality management

会社説明

We've been a driving force in the Japanese bilingual recruitment market, providing high quality candidates for our clients and access to the best jobs for over 20 years. We operate a team-based profit share system which, we believe, sets us apart from the majority of competitors by enabling us to always put the interests of our clients and candidates first. That means we can find the best fit for employer and job seeker, and we never push people into unsuitable roles.
