募集要項

Join a small team (about 10 people) in the software industry and work closely with the president of the company to develop your IT sales experiences in content downloading solutions.

You will work with a young team of IT professionals at expanding sales of P2P (peer to peer) downloading solutions to content providers. (Think of your customers as companies like itunes or Youtube).

These solutions allow customers to download videos and music at a much faster rate, and at the same time, allow for the providers to save on operational costs.

If you are a junior sales person with a strong focus on improving your career and experience in selling within the IT industry, you should apply for this position!

スキル・資格

Required Skills:

*Speak Native Japanese

*Have an interest in selling IT solutions

*Have the desire to work and adapt into the IT market, to steadily grow your career in sales.
