Company and Job Overview
A reputable construction company dedicated to delivering top-tier interior fit-out and construction projects throughout Vietnam.

Job Responsibilities

- Attend client and site meetings to align on project goals and client expectations.
- Oversee site logistics, including material procurement, inventory management, and resource scheduling.
- Address on-site challenges swiftly, collaborating with relevant stakeholders to implement effective solutions.
- Track project progress, ensuring adherence to design plans, safety standards, and regulatory requirements.

- Direct and manage all on-site interior construction and fit-out activities to ensure projects meet deadlines and quality expectations.
- Perform regular site inspections, identifying and reporting any discrepancies or delays to the Project Manager.
- Coordinate with subcontractors, vendors, and project teams to streamline operations and resolve issues.
- Maintain detailed records, including daily logs, material consumption, and project milestones.
- Enforce strict compliance with health and safety protocols across all site operations.

Job Requirements

- Degree: Bachelor's degree in Construction Management, Interior Design, Architecture, Civil Engineering, or a relavant.
- Experience: Open to fresh graduates or candidates with 1-3 years of experience in construction or interior fit-out supervision.
- Excellent communication, time management, and problem-solving abilities.
- Ability to work independently while thriving in a collaborative team setting.
- Flexibility to travel and work across multiple job sites as needed.
- Familiarity with interior fit-out materials, construction techniques, and technical drawings is preferred.
- Proficient in Microsoft Office; experience with AutoCAD or project management tools is an advantage.

Benefit

- Competitive salary and benefits package
- High-performing, multicultural working environment.
- Continuous learning and development opportunities.
