Role Overview:
We're seeking a skilled Japanese Voice Actor to bring characters and stories to life across various domains, using their voice to capture the right emotion, personality, and tone.

What does day-to-day look like:

- Record voice-overs from a professional home studio or in-studio sessions
- Perform lines with clarity, emotion, and appropriate pacing
- Interpret scripts and take creative direction
- Revise performances based on feedback
- Deliver high-quality audio files on time and in the correct format

Perks of Freelancing With Turing:

- Work in a fully remote environment.
- Opportunity to work on cutting-edge AI projects with leading LLM companies.
- Potential for contract extension based on performance and project needs.

スキル・資格

Requirements:

- Previous voice acting experience
- Strong vocal control and versatility
- Clear speech and emotional range
- Access to high-quality recording equipment (for remote roles)
- Ability to follow direction and meet deadlines

Preferred Qualifications:

- Experience with dubbing, ADR, or localization
- Demo reel showcasing a variety of voice styles
- Background in acting or performing arts
- Familiarity with audio editing tools

Offer Details:

- This is a flexible agreement, not a full-time or part-time employment position.

Evaluation Process:

- Shortlisting based on qualifications and relevant professional experience.
- Shortlisted candidates will undergo a delivery review, after which they will be ready to start!
