募集要項

【Job Overview】
We are looking for a Sales / Customer Relations professional to join a major Japanese real estate developer.
You will serve as the main point of contact for Taiwanese customers, providing a wide range of support related to residential and commercial properties.

【Job Responsibilities】
・Residential properties: Leasing, sales, resale, short-term stay reservations, and coordination with agents
・Commercial properties: Event planning, tenant promotions, and advertising activities
・Responding to inquiries from residents, property owners, and prospective residents
・Planning and organizing events
・Attracting and recruiting new residents
・Coordinating with agents regarding property sales
・Collaborating with the Taiwan Chamber of Commerce and participating in new city tours

・Other related duties

【Company Highlights】
・Join a stable and well-established Japanese real estate developer
・No prior experience required – motivated candidates are welcome to apply!
・Opportunity to be involved in a large-scale urban development project that will be developed over several years, offering a strong sense of purpose and achievement
・Four Japanese locally hired employees are already working at the company, providing a comfortable and supportive working environment

【Benefits】
・Visa/Work Permit: Company-sponsored
・Private Medical Insurance (International Coverage)
・Annual Salary Review / Salary Increase
・Tet Bonus

スキル・資格

【Must】
・Bachelor’s degree or above
・Business-level English communication skills (meetings are conducted in English)
・At least 3 years of professional experience, particularly in customer-facing roles

【Prefer】
・Work experience overseas, particularly in Vietnam
・Knowledge or experience in the real estate industry
