募集要項

Company Overview

A company operating a port facility is seeking a Maintenance Manager to oversee container handling equipment and ensure reliable port operations.

Location: Ba Ria - Vung tau

Job Description

- Manage maintenance and repair of container handling equipment, including port cranes and related machinery.
- Plan preventive maintenance and troubleshoot equipment breakdowns.
- Oversee mechanical and electrical maintenance activities, with a focus on mechanical systems and hydraulics.

- Lead a maintenance team of approximately 10 employees.
- Coordinate maintenance of port facilities and provide support during urgent breakdowns outside regular working hours.

Qualifications

- Experience maintaining container handling equipment or similar heavy equipment.
- Strong mechanical maintenance knowledge; hydraulic experience is preferred.
- Knowledge of electrical maintenance and preventive maintenance planning.
- Experience supervising a maintenance team.
- Ability to communicate in English.
- Willingness to support emergencies outside regular working hours.
- Ability to commute to the Phu My area.
