Job Description

We are looking for recruitment consultants with an established track record and client base. We work across industry verticals and position type horizontals so experience in any of these industry sectors or position types is desirable although experienced recruiters from others areas are encouraged to apply :

< span > Industry sectors

Advertising, Marketing and PR

Consumer Goods

IT & Telecommunications

Logistics, Transport and Supply Chain

Pharmaceutical and Medical Devices

< span > Position Types

Accounting

Human Resources

Sales

Technology

We may also consider non-recruitment candidates if they have strong industry exposure and a burning desire to be a recruiter.

We are a small but growing agency and offer an almost unlimited career path for motivated individuals. You will be given client ownership and for senior people the chance to grow a practice under your leadership.

We are a meritocracy and successful people will be richly rewarded both financially and by being given the autonomy and breadth to develop themselves and their practice in a fun working environment with a flat hierarchy.

Required Skills

- The ideal candidate will have a minimum 2/3 years experience working as a recruiter with a track-record of success and revenue of at least Yen 15m per year.
- You will be a highly motivated self-starter with excellent time management skills, a flexible and cooperative attitude, an ability to multi-task and to meet agreed performance targets and at least a mid-term commitment to Japan.
- Level 2 Japanese skills or above are preferred, but for the right candidate, are not essential.
