募集要項

Company and Job Overview

A professional consulting firm is seeking an Assistant Manager – Financial Advisory Services to support and lead financial advisory engagements, including due diligence, valuation, post-merger integration, and M&A-related projects. This role offers the opportunity to work closely with clients, manage project delivery, and mentor junior team members in a dynamic consulting environment.

Job Requirements
Must-Have

- Bachelor’s degree or above in Finance, Accounting, Economics, Business Administration, or a related field.
- Over 4 years of experience in Financial Due Diligence, Tax Due Diligence, Transaction Services, or External Audit within consulting, advisory, audit, or accounting firms.

- Strong expertise in at least two of the following areas: Financial & Tax Due Diligence, Valuation and Financial, Modelling M&A, Advisory External Audit
- Strong analytical, report-writing, and presentation skills.
- Experience working directly with clients and managing stakeholder relationships.
- Ability to identify issues, propose practical solutions, and work effectively under tight deadlines.
- Strong communication skills and a proactive, service-oriented mindset.
- Ability to work independently while contributing effectively within a team environment.

Nice-to-Have

- Professional qualifications such as ACCA, CPA, CFA, or equivalent.
- Previous experience supervising or coaching junior team members.
- Exposure to cross-border transactions, investment projects, or M&A activities.

Job Responsibilities

- Prepare and deliver high-quality advisory reports across various financial advisory service areas.
- Participate in and support projects related to: Financial & Tax Due Diligence, Business and Asset Valuation, Purchase Price Allocation (PPA), Post-Merger Integration (PMI), M&A Advisory
- Work closely with clients and target company management to understand business operations, expectations, and transaction objectives.
- Analyze financial information and present findings in a clear and practical manner.
- Guide and review the work of junior team members throughout project execution.
- Support business development, client engagement, and relationship management activities.
- Participate in seminars, workshops, and technical presentations related to financial advisory topics.

Benefit

- Competitive salary package ranging upto 30 million VND gross, depending on experience and qualifications.
- 100% salary during probation period.
- 13th-month salary and performance-based annual bonus.
- Social insurance based on full salary.
- Health and accident insurance coverage.
- Professional training programs and continuous learning opportunities.
- Collaborative, professional, and growth-oriented working environment with clear career progression opportunities.

Due to the volume of applications, only shortlisted candidates will be contacted. Thank you for your interest.
