募集要項

Finance Accounting Tax Manager is responsible for leading the Finance, Accounting, Tax, and Supply Chain functions, ensuring strong financial governance, efficient operations, and regulatory compliance. The role drives budgeting, financial planning, cash flow management, business performance analysis, cost optimization, and strategic decision-making while supporting the company's growth and operational sustainability.
Responsibilities:

- Lead Finance, Accounting, Tax, and Supply Chain Management functions.
- Manage budgeting, forecasting, financial planning, and cost control.
- Oversee financial reporting, accounting operations, tax compliance, and audit readiness.
- Drive cash flow, treasury, working capital, profitability analysis, and risk management.
- Provide financial insights and recommendations to support strategic business decisions.
- Strengthen internal controls, governance, and process automation.

- Oversee procurement, vendor contracts, inventory management, and supply chain efficiency.
- Lead team performance, capability development, and cross-functional collaboration.

Requirements:

- Bachelor’s/ Master's degree in Accounting, Finance, or related field.
- Minimum 15 years of relevant experience, including 5 years in a managerial role.
- Experienced of working in Mining or Energy industry is preferred, specifically coal mining.
- Strong expertise in budgeting, forecasting, financial analysis, accounting, taxation, and risk management.
- Good understanding of procurement, vendor management, inventory control, and cost optimization.
- Proficient in ERP systems, advanced Excel, and BI tools.
- Strong leadership, strategic thinking, analytical, negotiation, and stakeholder management skills.
- Having related certifications are an advantage.
- Fluent in Bahasa Indonesia and English.

About the company:
Our client is a well-established Indonesian coal mining company with integrated mining operations and a strong presence in the domestic energy sector. The company is focused on operational excellence, sustainable growth, and long-term value creation through efficient resource management and robust business practices.
