

## Company Description

---

Alpha-Net Consulting Group, Japan

Alpha-Net Consulting Group Japan / Recruiting Consulting Firm

We are a group of specialists who possess the skill to perform technical consulting, therefore, we are able to introduce highly skilled candidates not only from our professional database, but also from search and scout activities carefully conducted.

MBA, CPA or other advanced degree / qualifications holders and many Japanese & non Japanese engineers from different countries in the feild of information technology have succeeded to obtain attractive positions.

米国事務所との連携により、主に在日外資系企業へのリクルーティング・コンサルティング・サービスを業務としており、金融、自動車、コンピュータ業界を中心に活動しております。
