- A new name for success -

en world Japan may be a new name in recruiting, but we ’ ve been helping clients in Japan succeed since 1999. Operating as Wall Street Associates, we grew from a small company specializing in the finance industry into one of Japan ’ s leading recruiters for international-minded companies, with a staff of 140 professionals and offices in Tokyo, Kanagawa, Nagoya and Osaka. Now, under the en world brand, and in partnership with our parent company en-Japan, we are poised for a new stage of growth and success.

- What en world can do for you -

en world Japan, working out of Tokyo, Kanagawa, Nagoya, and Osaka, specializes in finding highly talented, top-performing professionals for industry-leading companies. We work in close collaboration with both clients and candidates to create ideal connections between companies and job seekers. To boost your chances of finding the right job, our consultants work as a team, multiplying your opportunities by sharing candidate information and job leads.

en world ’ s clients include top multinational companies and Japanese companies with international and progressively-minded management. Our industry-focused consultants work closely with clients to accurately match talent from our extensive networks of professionals. With over 4,000 successful introductions over the past 13 years, and both client and candidate approval ratings well above industry averages, our track record speaks for itself.
