

**Company Description**

---

PeopleSearch K.K.

An established executive search firm, PeopleSearch has proven track record in helping clients seize business opportunities with precise human capital solutions. Whether there is a need to recruit for a niche position within a niche industry, or the right people to start up a grassroot facility, we have the experience and expertise to deliver results to our clients and candidates.

Driven by a mission of accelerating our client ' s corporate performance with precise human capital solutions, PeopleSearch has established presence in major cities in Asia with a proven methodology that is applied to all our subsidiaries. This assures our clients with regional responsibilities of a consistent approach and service quality when working with PeopleSearch.

PeopleSearch celebrates diversity with consultants of different nationalities and cultural backgrounds. Each consultant is an industry specialist, having a thorough understanding of specific industry challenges. This gives us the edge to appreciate cultural diversity and forge strong relationships with our clients and candidates.
