

AECOM

AECOM Japan株式会社

会社説明

20 years: One AECOM
working globally, delivering locally

AECOM is a global provider of professional technical and management support services to a broad range of markets, including transportation, facilities, environmental, energy, water and government.

With approximately 45,000 employees around the world, AECOM is a leader in all of the key markets that it serves. AECOM provides a blend of global reach, local knowledge, innovation and technical excellence in delivering solutions that create, enhance and sustain the world's built, natural and social environments.

A Fortune 500 company, AECOM serves clients in approximately 125 countries and had revenue of \$7.7 billion during the 12 months ended June 30, 2011.

AECOM is ranked by Ethisphere as one of the world's 110 most ethical companies for 2011.

Our operations focus on the following areas of expertise:

- Architecture
- Building Engineering
- Construction Services
- Design + Planning
- Economics
- Energy
- Environment
- Government
- Mining
- Oil + Gas
- Program Management
- Program, Cost, Consultancy
- Transportation
- Water

AECOM provides clients with complete access to our greatest resource — our people. With greater access to AECOM's worldwide capabilities and professional expertise, our clients benefit from seamless delivery on every project.

AECOM is now working on seven of the 17 largest civil infrastructure programs in the world.

More experts. Thinking more innovatively. Designing more intelligently. Managing more productively. Partnering more powerfully.

We are AECOM.
