

日本NCRコマース株式会社

会社説明

NCR Voyix is committed to driving innovation, simplifying the customer experience, and enabling client growth. For nearly 140 years, we've been a global leader in consumer technology, transforming the digital commerce experience in the retail and restaurant industries. With this history of success and commitment to innovation, we have the power to deliver platform-driven technology and best-in-class service to our customers. We help you achieve your business goals, whether it's increasing efficiency or creating a differentiated customer experience.

From state-of-the-art software to on-the-ground services, we help businesses of all sizes turn everyday interactions into valuable moments. NCR Voyix is headquartered in Atlanta, Georgia, USA, and has approximately 15,000 employees in 35 countries.
