エクスパンディ株式会社

会社説明

Helping expand the reach of innovative Japanese brands and products by taking care of the whole e-commerce process

We help expand the reach of innovative Japanese brands and products by leveraging the power of internet and taking care of the whole process - from supply to distribution, including warehousing, orders management and preparation, international logistics, customs clearance, customer service and content creation.

- **Japanese Taste**
  Japanese Taste is the go-to online store for high-quality products Made in Japan. Our user-centric ecommerce platform makes unique Japanese products accessible from anywhere in the world. We specialize in food, beauty, health & home: in other words, what we do best is bring your favorite Japanese flavors, design, and wellness-related products closer to you, no matter where you are.
