

SCANDINAVIAN
SAVINGS & LOANS TRUST

Scandinavian Savings & Loans Trust

会社説明

Scandinavian Savings and Loans Trust is a premier, regulated Swedish based savings and loans trust providing confidential, no-frills solutions to our global clients. Through our wide array of financial products, we build long-lasting, sustainable partnerships with ultra-high-net-worth individuals and our retail and corporate clients across Sweden and globally. Our proven track record as one of the strongest and fastest growing financial institutions in Sweden is a representation of our investment in client relationships, conservative investing strategies, and global expertise.

When working with Scandinavian Savings and Loans Trust, our clients can expect the reliability and confidentiality of working with a regulated financial institution while providing the highest echelon of financial services at industry-leading rates. We believe that integrity, transparency, and diversity are the pillars of successful financial solutions. By leaning on these values, our curated teams can deliver customizable solutions to our clients. With the best securities lending division in Europe, we can offer the liquidity solutions our publicly traded clients seek around the world.
