

## ARTHUR & COMPANY

### Arthur & Company Limited

#### 会社説明

##### NEW POSSIBILITIES

We see finance as an ever-evolving discipline that provides a tangible framework of “trust” to our society. This framework facilitates the inheritance of traditions and the opportunity to capitalise on new possibilities.

##### A STORY OF TRIUMPH

The name ‘Arthur’, will forever be linked with a story of triumph that has been passed down through the centuries. In legend, King Arthur and his Knights of the Round Table were pioneers who gave rise to a brighter future by envisioning new possibilities for their people — this legend lives on as a vital example to succeeding generations.
