

TOKYO WolfVision Co. Ltd.

Company Description

Driving Knowledge Creation

- Award-winning manufacturer of wireless presentation, collaboration, & Visualizer imaging solutions for classroom, meeting room, and courtroom applications.

WolfVision is a leading global developer and manufacturer of award-winning presentation, collaboration, and knowledge-sharing systems and solutions.

Our systems are used worldwide, by leading universities and other educational institutions, in corporate meeting spaces during presentations, meetings, web conferences, training sessions, and demonstrations, and they are also used in courtrooms, for viewing and management of judicial evidence.

WolfVision worldwide headquarters is situated in the Vorarlberg region of Austria, Europe, and we have regional offices in the USA, Germany, Japan, Singapore, India, Dubai, Norway, and the United Kingdom. Our systems and solutions are available and supported worldwide via our global distribution, sales, and service network.

Our Vision

When you've got something to say, we believe it is important that getting your message across and making an impact should be as easy as possible.

Our aim is to help you to explain it better, to give you the freedom to share your knowledge and collaborate with others

However you want, and whenever you want, when your audience is in the same room, or on the other side of the world.

Because knowledge matters - to all of us.
