Clestra K.K.

Company Description

As a global office partition manufacturer, Clestra provides clients around the world with high-performance, well-designed office spaces. Founded by the inventor of partitions, we are the oldest office partition company in the world. It is internationally acclaimed not only for its design, but also for its functionality, economy, consideration for resources and the environment. Our customers are companies G, A, F, A, etc., as well as all other of which are top-notch companies. Clestra is more than just a manufacturer, it is a company specializing in office partitions that consistently handles design, manufacture, sales, import, construction, and maintenance. In addition to our headquarters in France, we have our own factories in France, Turkey, South Korea, and China, and have operations in more than 60 countries around the world. We have a corporate culture that emphasizes individual abilities, and have a global and free atmosphere.
