

Kekst CNC (MMS communication (株))

Company Description

We are leaders in business-critical communications.

Every day we help clients communicate through complex transitions, manage strategic opportunities and crises, and enhance reputations through proactive and responsive communications.

Kekst CNC is a global strategic communications firm with deep local roots in the world's key corporate and financial centers. We harness ideas and expertise from the world's most creative and experienced professionals to seamlessly support our clients.

Kekst CNC is part of Publicis Groupe, the world's third largest communications group.

Globally Connected Thinking

Every day corporate leaders face high-stakes situations with little margin for error. Effective, integrated communications are essential to create value, realize new opportunities, and manage risk in this increasingly interconnected world. Companies around the globe, from start-ups to the biggest global corporations, trust Kekst CNC for our expertise and experience.

We are here to help protect and enhance the reputations of our clients when it matters most.

For more than five decades, we have provided our clients with expert communications counsel, informed by judgment, insights and data-led analysis.
