## PVH JAPAN G.K.

### Company Description

Our vision is to build Calvin Klein and TOMMY HILFIGER into the most desirable lifestyle brands in the world and make PVH one of the highest performing brand groups in our sector.

Through the execution of our PVH+ Plan, we are creating the foundation to drive sustainable, profitable and brand-accretive growth through our five growth drivers – win with product, win with consumer engagement, win in the digitally-led marketplace, develop a demand- and data-driven operating model, and drive efficiencies and invest in growth.

This all comes to life through our people, who power our growth drivers by embodying our company values – Individuality, Partnership, Passion, Integrity, and Accountability – which define who we are and who we aspire to be.
