The Swatch Group (Japan) KK

Company Description

The Swatch Group (Japan) KK carries watches and jewelry brands in Japan as a wholly-owned subsidiary of The Swatch Group Ltd, the world' largest manufacturer, and distributor of finished watches and jewelry, whose headquarters is located in Biel/Bienne, Switzerland. These brands represent all product categories, from the high-end Prestige and Luxury Range, to the low price Basic Range. With our quality and reliable products, we are able to meet the needs of the most demanding and sophisticated customers.

We at The Swatch Group (Japan) KK are determined to offer the highest-quality products fashioned with both cutting-edge technology and carefully-observed, traditional Swiss craftsmanship. Further more, at our facilities we strive to adopt the same approach to after-sales service that is employed by our brands headquarters.
