Quest Global Japan Corporation

Company Description

We are Quest Global. We're in the business of engineering, but what we're really building is a brighter future. It's not just what we do, but why we do it that makes us different. We believe engineering has the unique opportunity to solve the problems of today that stand in the way of tomorrow. For 28 years, we have strived to be the most trusted partner for the world's hardest engineering problems. As a global organization, we live and work in 22 countries, with 97 global delivery centers, driven by 23,000+ extraordinary employees who make the impossible possible every day. Quest is a trusted strategic, long term partner for many Fortune 500 companies in the Aero Engines, Aerospace & Defense, Transportation, Oil & Gas, Power, Medical Devices and other high tech industries. The company offers mechanical, electrical, electronics, embedded, engineering software, engineering analytics, manufacturing engineering and supply chain transformative solutions across the complete engineering lifecycle.
