Fellowship co.,ltd.

Company Description

Fellowship is a global human resources services company that receives various business needs and seeds from companies, mainly Japanese global companies, unicorn venture companies, and APAC companies, and solves problems from a human resources perspective. In addition to human resource introduction, we offer total solutions such as temporary staffing, career coaching, global business, and support for Asian companies expanding into Japan.

We will support the careers of business people who want to be active globally, leveraging our expertise and experience in bridge services mainly in Japan and China, and with an awareness of the global market mainly in APAC.
