The Peninsula Tokyo

Company Description

Employees at The Peninsula Tokyo are talented, highly motivated, dedicated to excellence and have an aptitude for languages. In return, superb training and benefits, with structured career advancement and international job opportunities are offered to all.

The Peninsula Tokyo
Hotel Overview

The Peninsula Tokyo is a shining landmark located in the heart of Tokyo's prestigious Marunouchi business district, opposite the Imperial Palace and a mere three-minute walk from Ginza, the city's shopping hub.

Modern and contemporary design is tastefully complemented with Japanese accents at this gracious free-standing hotel, which offers 302 spacious guestrooms, including 47 suites.

Completing the hotel's sophisticated facilities are five unique restaurants, a modern lounge bar, two ballrooms, six elegantly designed function rooms, a wedding chapel, a traditional Japanese ceremony room, a fitness centre offering state-of-the-art equipment, The Peninsula Spa, and a 20 metre (66 foot) indoor heated swimming pool with an adjoining outdoor terrace.
