

THE EXECUTIVE CENTRE

The Executive Centre Japan K.K.

Company Description

Our Vision

Work Smarter, Not Harder

Our story begins in 1994, when we opened the doors to the first Executive Centre. We welcomed ambitious professionals and industry leaders who were looking for more than just an office space. They were looking for a place for their organisations to thrive. By providing consistent support and unparalleled service, we cultivated an environment that was designed for success.

Since then we have learned about the varying demands of different businesses. We have used this knowledge to build an expanding global network of success that spans across Greater China, Southeast Asia, North Asia, India, Sri Lanka, the Middle East, and Australia, with sights to go further and grow faster. Each Executive Centre offers a prestigious address with the advanced infrastructure to pre-empt, meet, and exceed the needs of our ambitious Members. Walking with them through every milestone and achievement; empowering them to succeed.
