

Keen Japan K.K.

Company Description

Create, Play, Care.
It's a way of life, we call it HybridLife.

We all live many lives splitting our time between work, play and giving back.

At KEEN we call this living a HybridLife. HybridLife is the KEEN mantra, our commitment to create solutions in our product and business practices, to design footwear, bags and socks that enable you to play anyplace without a ceiling; and our promise to care for each other and the world around us. We invite you to join us in tossing on a pair of KEEN shoes, socks or a bag and to diving head first into living a HybridLife.
