systemsGo Corporation

Company Description

systemsGo is a well-established and growing IT professional services company based in Tokyo with offices in Osaka, Hong Kong, Shanghai, Singapore and also servicing clients in Beijing, Seoul, Bangkok, Kuala Lumpur, Hanoi and Taipei.

We are committed to providing our clients with the highest-quality professional services which include IT infrastructure support, systems integration, project management, consulting and staffing solutions. Our client portfolio includes global investment banks, private equity firms, pharmaceutical and biotech companies, law firms, IT companies, trading & manufacturing firms.

We look after our employees, provide many opportunities for career advancement, competitive salaries, excellent benefits and opportunities to travel and relocate to companies within our group. We are always looking for people with the same commitment to providing quality service, and an enthusiasm to learn and grow.
