

Mouser Japan G.K.

Company Description

Mouser Electronics is a worldwide leading authorized distributor of semiconductors and electronic components for over 500 industry leading suppliers. We specialize in the rapid introduction of new products and technologies for design engineers and buyers. Our extensive product offering includes semiconductors, interconnects, passives, and electromechanical components.

With 20 locations located strategically around the globe, we speak your language (supporting 17 different languages) and are able to transact business in 20 currencies. This translates into the flexibility of not requiring a minimum order and same-day shipping. At Mouser, our commitment to unsurpassed service and support knows no boundaries.

Selection, speed, and accuracy are the core of Mouser's state-of-the-art warehouse with sophisticated equipment enabling us to process orders 24/7. The wireless warehouse management system is streamlined to nearly perfect pick-and-ship operations delivering a 5-Sigma confidence rating, better than 99%. Orders are processed and ready to ship in 15 minutes in most cases, enabling same-day shipping on most orders to nearly 500,000 customers in 170 countries.

Mouser's corporate headquarters is located in Mansfield, Texas, USA
