

UD trucks

Company Description

UD Trucks is a leading Japanese commercial vehicle solutions provider, active in more than 60 countries on all continents.

Since its inception in 1935, the company has been an innovation leader with a clear vision to provide the trucks and services the world needs today.

The company is committed to go the extra mile for smart logistics with the most dependable solutions for demanding customers.

To best support across applications and geographies, UD Trucks offers a full range of heavy duty trucks - Quon and Quester, medium duty trucks - Condor and Croner, and light duty trucks - Kazet and Kuzer, as well as associated operational and financial services.

In 2018 the company introduced it's innovation roadmap "Fujin & Raijin. Vision 2030" under the theme Innovation for Smart Logistics.
