Company Description

N&A is the largest and one of the oldest law firms in Japan. We have approximately 500 attorneys, foreign attorneys, and other professionals and provide a full range of legal services in all areas of business law for commercial activities both in Japan and overseas.

N&A provides efficient legal services with high added value, particularly for projects that require an ability to traverse multiple specialized areas, cutting-edge projects that require a high level of expertise, and projects that require immediate action.

As experts in international law, Nishimura & Asahi has created a network covering many countries in Europe, the United States, and beyond.
Since 2010, we have opened offices in various Asian countries as Japanese corporations have adopted new overseas expansion strategies. At the same time, we have established close affiliations with major law firms in Asia, enabling us to provide legal services tailored to the laws and circumstances of these countries. We have simultaneously increased the number of our Japanese offices to support our clients from various locations within Japan to expand overseas. As a consequence, we have a flexible structure to address diverse global business issues.
