

## Resources Global Professionals Japan K.K.

---

### Company Description

RGP is a professional services firm dedicated to building human connections that catalyze business change. In a time of record digital transformation, Supply chain, financial service, we are a consulting practice where client and consultant are more than counterparts in a business equation; they are bonded collaborators.

With a global footprint and experience across many disciplines including Business Strategy and Transformation, Accounting and Finance, Risk and Compliance, Technology and Digital, Supply chain, we help companies solve the most pressing business challenges, by putting people first. For the last two decades, RGP has built trusted relationships where knowledge sharing, confidence and shared commitment prosper. Our client's trust us to get the internal work done, while building their capabilities to change and operate in brand new ways. Human chemistry defines our business, and it enables our clients to make macro changes through microbursts of impact.

RGP was founded in 1996 and today we are a publicly traded company (NASDAQ: RECN). Our 4,000+ professionals, from more than 70 practice offices, serve over 2,500 clients globally. RGP has been recognized on multiple occasions by Forbes as one of the 100 Most Trustworthy Companies. Please visit us at [www.RGP.com](http://www.RGP.com).
