

Tokyo American Club

Company Description

Established in 1928, the Tokyo American Club is a traditional members international club with a history of 93 years. Currently, about 3,800 members (12,000 including family members) from more than 50 countries, various facilities and services such as restaurants with various concepts, banquet halls, libraries, fitness gyms, swimming pools, spa, etc. Our staff are of various nationalities, and we always provide world-class hospitality to our international members.

In January 2011, a new facility was completed in Azabudai, bringing us closer to our goal of becoming the best international membership club in Asia. In March 2021, we opened our first satellite club in Nihonbashi, entering a new phase.
