

Hill's-Colgate (JAPAN) Ltd.

Company Description

HILL'S PET NUTRITION:

PREMIUM PET FOOD BACKED BY SCIENCE

From their days as puppies and kittens to their years as senior dogs and cats, our biology-based nutrition stays a step ahead for differences you can see, feel and trust.

We lead the way in several scientific fields to create the quality nutrition your pet deserves

- Science-led ingredients
- Predictive biology
- The pet microbiome
- Trusted by veterinarians

We believe that science is the best path to giving your pet the best care possible. Trends come and go, but our nutritional philosophy is that science leads the way, creating food that stays a step ahead for your pet's best life.
