

Skechers Japan G.K.

Company Description

THE PERFECT FIT FOR YOUR FUTURE

A 3.56-billion-dollar global leader in the performance and lifestyle footwear industry, Skechers USA, Inc. designs, develops and markets more than 3,000 styles for men, women and children. Skechers' success stems from its employees, high-quality, varied product offering, diversified domestic and international distribution channels, and targeted multi-channel marketing.

The company offers two distinct footwear categories: a lifestyle division and performance footwear. Through licensing agreements, the company also offers branded apparel, bags, eyewear, toys, and more.

The Company sells its footwear in department, specialty and independent stores, as well as through more than 2,000 Company-owned Skechers retail stores and online at skechers.com. Beyond the United States, Skechers product is available in more than 160 countries and territories through an international network of subsidiaries in Canada, Japan, Europe and Latin America, joint ventures in Asia and the Middle East, and distributors around the world.

Headquartered in Manhattan Beach, California, Skechers is traded on the New York Stock Exchange under the symbol SKX.
