

NEXON Co., Ltd.

Company Description

About Nexon

Nexon is a global leader in multiplayer online games through its best-in-class live operations, development, and publishing and has created deeply immersive multiplayer online experiences enjoyed by players around the world. Nexon has more than 10 franchises with proven longevity, each operating for 10+ years and boasting massive fan bases around the world.

Founded in 1994, Nexon currently has more than 60 live games in various genres, operated across more than 190 countries, which have been supported by innovative live operations. Nexon's iconic games including MapleStory and Dungeon&Fighter have been in service for more than a decade and have continued to grow over an extended period of time. In addition, newer titles including MapleStoryM push the technological boundaries for fully-online multiplayer games and immersive virtual worlds built for mobile devices.

Nexon continues to deliver deeply immersive multiplayer online experiences on multiple platforms to players all over the world leveraging the company's powerful IP, expertise in live operations, development and global publishing footprint.
