Cognex K.K.

Company Description

Cognex Corporation (NASDAQ: CGNX) is the world's leading provider of vision systems, vision software, vision sensors and industrial ID readers used in manufacturing automation.

Cognex vision helps companies improve product quality, eliminate production errors, lower manufacturing costs, and exceed consumer expectations for high quality products at an affordable price.

Typical applications for machine vision include detecting defects, monitoring production lines, guiding assembly robots, and tracking, sorting and identifying parts.

Cognex serves an international customer base from offices located throughout the Americas, Europe and Asia, and through a global network of integration and distribution partners. The company is headquartered close to Boston in Natick, Massachusetts, USA.
