

Adecco Japan Key Account Business Division

Company Description

Perfect placements. Speedy staffing. Tenacious testing. Who's Adecco, we hear you ask? Only the top provider of first-class HR solutions. Our consultants work with some of the best, and most exciting, companies all over the world. We equip our clients with priceless industry insight and put everything we've got into training and mentoring our candidates. We're here to match talented people with the job opportunities and employers they're looking for. On any given day we connect over 70,000 people with fulfilling opportunities that make the most of their skills now and enable them to develop new expertise for the future.
