

SPRINGER NATURE

Springer Nature Japan K.K.

Company Description

Springer Nature is a leading academic and educational publisher that caters to the needs of researchers, students, teachers and professionals around the world. It is Springer Nature's mission to help the community discover, learn and achieve results. We publish robust and insightful research across three business areas: research, education, and specialty. We support the development of new areas of knowledge, meet the needs of the research community, and contribute to the advancement of discovery by making ideas and information accessible worldwide.
