

Acro Consulting

Company Description

Acro Consulting - Licensed Recruiting Agents authorized by Japanese Government

* Initially License was awarded on October 1st,2006 with Authorized Certificate .

* Prior to starting Recruiting business, over the past 30 years, I have been professionally engaged in global transportation, distribution and logistics/supply chain management business through working experiences in UK and American based global companies. In addition to these experiences, I have devoted myself to playing overall management role as vice president. As Recruiter, my philosophy is to seek for happiness of both candidate and customer.

Mainly specialized in Transportation, Logistics, Supply Chain Management fields such as Air Industry, Freight forwarding, NVOCC, Shipping companies, Logistics companies or the like.

In view of above-mentioned prior work experiences, I as a recruiter, have been concentrating upon introducing qualified candidates mainly for above-mentioned industries.
